CERTIFICATE OF APPRECIATION

MAGIC OF MIND POWER® is a transformation program through experiential learning. It is a first of its kind in the area of Training and Development which has positive impact on individual's performance and consequently organizational effectiveness.

I am pleased to present this Certificate of Appreciation to **Hiren Bafna of DIGITAL TECHNOLOGIES** for their sincere efforts in empowering me to decide on my new laptop and supplying and installing the same with complete perfection .

The expertise of **DIGITAL TECHNOLOGIES** is clearly reflected in the various options they placed before me, clearly bringing out the pros and cons of each one of them with total transparency. A special mention should be made about their Service Engineer – Neel Madhava Sahu who installed the laptop at my residence in no time with utmost sincerity living up to the philosophy of 'Service with Smile'.

I would strongly recommend **DIGITAL TECHNOLOGIES** to anyone who is need of appropriate and robust computer hardware and related solutions.
