CERTIFICATE OF APPRECIATION

Next Level Education Pvt. Ltd. Is all about Empowering society at large and spreading awareness in explaining concepts of financial planning and products in a very simple way so that they are truly empowered in their wealth creation journey.

I am pleased to present this Certificate of Appreciation to **Hiren Bafna** from **Digital Technologies** for the Remarkable and Excellent Performance.

I had assigned to **Hiren** the job of upgrading one of the regular CPU's in my office with a new and improved compact one introducing us to the latest technology, which he did with a brilliant efficiency and with a fabulously quick and impressive follow up.

I would strongly recommend **Digital Technologies** to anyone who is interested to replace or upgrade their Computers and/or Laptops.
