Dear Mr. Hiren,

My name is Mandar Zalkikar, partner of Finance Hub, dealing in retail loans like Home Loans, Commercial Property Loans and Mortgage Loans operating from Thane.

One of my friends, Mr. Abhijit Khatu - GM of ID Fresh Food (India) P. Ltd. Wanted to purchase few laptops. I had referred him to Mr. Hiran Bafna who mainly deals in laptops, desktops, servers etc. Although, Mr. Hiran was not having the same brand of laptop what Mr. Abhijit was looking for, he showed other laptops having the same features which were meeting Mr. Abhijit's requirements and expectations.

Mr. Abhijit was impressed in the manner in which Mr. Hiren elaborated on the options available and was also pleased with the competitive prices quoted by Mr. Hiren. He finally bought 2 laptops and will be approaching Mr. Hiren for any future requirement.

I'm extremely pleased with the professional approach of Mr. Hiren Bafna and strongly recommend "Digital Technologies" for all kinds of Laptops, desktops, server requirements to all my friends and clients and wish Mr. Hiren Bafna and his team a great successful life and future.

Thanking you,

Yours faithfully

Mandar Zalkikar
