Dear Mr. Hiren

This is Mayank Marda, from Vibrant Holiday Destinations Pvt. Ltd. which is a premier venture by avid travellers in the travel industry. We design Wow Holiday Experiences for Couples, Friends, Families, Social Groups, Educational Institutions & Corporates in India and across the globe.

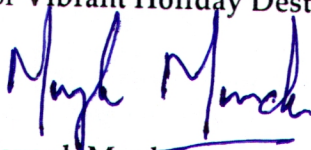

I would like to present this Testimonial to Mr. Hiren Bafna of M/s. Digital Technologies.

We had asked Mr. Hiren at 10 am to deliver us a Laptop Charger which had become very urgent since we were to participate in an online Tender. Due to the pandemic the services were disrupted and running slow.

We were pleasantly surprised when the same was delivered to us within 4 hours at 2 pm. Even though it was a small order Thank you for the quick turnaround time helping us achieve our work smoothly.

We are very pleased with the services of M/s. Digital Technologies & will definitely recommend them to other Corporates and Individuals in the future.

Warm Regards  
For Vibrant Holiday Destinations Pvt. Ltd.
